

**Remarks:**

Reconsideration of the application, as amended herein, is respectfully requested.

Claims 1 - 38 are presently pending in the application.

Claims 1 - 38 have been amended.

In deference to the restriction requirement on page 2 of the above-identified Office Action, Applicant elects group I, drawn to the method of managing a coil feed, for prosecution at this time.

Applicant has additionally amended claim 12 (formerly of group II) to depend from, and thus contain all of the limitations of, method claim 1 of group I. As such, claims 12 - 15 and 37 - 38 are now believed to be part of group I, and as such, should be examined with group I in the present application.

In view of the foregoing, the early issuance of an Action on the merits of the claims 1 - 38 is solicited.

If an extension of time for this paper is required, petition for extension is herewith made.
